Professional Account Management has not received a response from you to our previous correspondence regarding unpaid citation(s) issued by the **District of Columbia Government**. **This account has been reported to a national credit bureau(s) and could negatively affect your credit rating.** Please refer to the reverse side of this notice for any additional tickets that have been referred to us for collections, some of which may have already been reported to a national credit bureau(s). Please call (866) 353-7145 and make payment in full today. In accordance with instructions from the District of Columbia Government, once we have received your payment in full, we will request that the national credit bureau(s) permanently delete your delinquent account record from their files. Do not contact the District of Columbia Government for credit bureau inquiries.

Failure to take immediate action regarding this matter will result in continued collections action. In addition, you may be subject to enforcement activity by the District of Columbia Government. This may include the impoundment of your vehicle if there are two or more parking or automated photo enforcement citations that are in default, deemed admitted, or upheld by a hearing examiner. Enforcement activity may also include denial of registration renewal or driver license renewal (if a DC resident) on outstanding parking or automated photo enforcement citations.

This is **NOT** an opportunity to appeal this citation with the District of Columbia Government as the time frame for that action has expired.

Mail any **CORRESPONDENCE** to:
